DIAMOND GLOW®

FREQUENTLY ASKED QUESTIONS

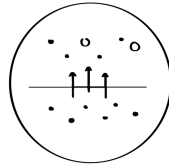

What does Diamond Glow do?

DiamondGlow is more than a facial. Unlike traditional wet facial treatments, which rely on chemical exfoliation to treat skin at surface level, DiamondGlow's diamond tip wand delivers a next-level resurfacing treatment that deeply cleans and rejuvenates the skin. This non-invasive treatment is used to treat the face, around the eye area, lips and body.

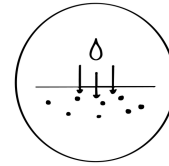

EXFOLIATES

Precise diamond tip helps remove dry, damaged skin

EXTRACTS

High-power suction deep cleanses the skin surface and pores

INFUSES

Skin is prepped to receive SkinMedica Pro-Infusion Serums for professional-grade results

What are the benefits of Diamond Glow?

Post-treatment skin appears:

- Brighter
- Fresher
- Healthier
- Smoother
- Clearer, with unclogged pores
- More even in tone

And beyond the treatment, improved appearance of:

- Fine lines and wrinkles
- Roughness and dryness
- Dark spots and skin discoloration
- Dull, congested skin

How should I prepare for my treatment?

Come to your appointment with a clean face! No makeup or skincare.

What do I do after my treatment?

You are free to resume normal activities immediately following your Diamond Glow treatment. You might experience a little redness, but it should resolve within an hour. Avoid retinols and exfoliating acids for at least 24 hours.

How much is Diamond Glow?

One treatment is \$200. A package of 3 is \$500.
